

Raising the roof for

# Shelter

As your local estate agent we help people find the home of their dreams every day of the week.

Now, as we approach a new Millennium we want to help those for whom the dream has become a nightmare by joining Winterthur Life's Raise the Roof Campaign.

Raise the Roof is our way of putting something back into the housing market by supporting the national housing charity Shelter. We've pledged to raise as much money as possible for Shelterline, its 24 hour freephone helpline which offers advice to those with housing problems. You can help us by supporting our fundraising activities or making a donation in one of our collection boxes.
